CERTIFIED LETTER MAILED - August 9, 2012

Papa John's Corporate Office
Attn: **John Schnatter, Founder and Chairman**
or c/o CEO
2002 Papa Johns Boulevard / Louisville, Kentucky 40299

Dear Mr. Schnatter and/or CEO:

On Tuesday, July 24, 2012, I received a very disturbing Voice Mail Message from someone implying that they are an employee at Papa John's on West Broadway. Enclosed you will find a CD and Transcript of that very disturbing Voice Mail Message:

Exhibit A – CD of the Voice Mail Message Exhibit B – Transcript of the Voice Mail Message,

The telephone number that appeared in my cell phone at the time of the call was **(502) 774-8555** and the voice mail message recorder states that the call came from **(502) 774-8555**. The person is making reference to me ordering a pizza from Papa John's on West Broadway, **however I did not order a pizza**. The person states that his name is Eric and uses profanity calling me a **"Bitch,"** several times and also using phrases such as **"Fuck you Bitch," "Don't order no more Fuckin' Pizza,"** etc.

In that I have posted this very disturbing call on the home page of my website which is www.justiceforallcitizens.com, I feel it is only fair to you and your company to inform you that someone is making these types of calls to the public and not only using your company name, but your business telephone number is what the caller I.D. is identifying and the voice mail verbal identifying message is also stating that these disturbing calls are coming from your company telephone number.

Sincerely,

Enclosures: Exhibit A – CD/Voice Mail Message Exhibit B – Transcript/ Voice Mail Message
