You may wish to raise your allegations with an attorney. In addition to conferring with an attorney you may also wish to contact the Civil Rights Division of the U. S. Department of Justice at (202) 514-3204, as this office has statutory authority to file legal actions.

If you are unable to afford a private attorney, you may wish to seek assistance from Kentucky Legal Aid. Their number is 1-800-782-1924.

Thank you for your inquiries to the Commission. We encourage your pursuit of your civil and human rights.

Sincerely,
