**Complaint Submitted By:** [REDACTED]

*Note: Complaint was also Hand-Delivered to the Sycamore location on Monday, March 6, 2017 between 11:00 a.m. – 1:00 p.m. The agent that the guards called to take the complaint – though I requested to be given a name or badge number - did not give a name or ID Badge number and took my information in the Guard Shack. The Hand-Delivered Complaint was also addressed to you.*

**Violations By Officials:**

- I. **Hate Crimes**
- II. **Cyber Stalking**
- III. **Malicious Prosecution & Abuse of Process**
- IV. **Terrorist Activity**

**Complaint Against the Following:**

- 1) Chief Steve Conrad, Police Chief & Louisville, Metro Police Dept.,  
633 West Jefferson St., Louisville, KY 40202

Enclosed you will find a bound 81 page book regarding the above crimes being committed by the Louisville Metro Police Department. In this book not only will you find actual documents in which they have called me Niggers, Slaves, filed fabricated documents, but they have referred to previous President Obama as the “**Nigger President**” and state, “**We own the state**” and “**We own the country**”. They have also accused a federal judge of taking bribes, threatened to kill a LG&E employee and copied my signature on these fabricated documents.

In closing, please confirm that you did receive all of the above due to the fact that my mail, telephone, emails etc. are intercepted by these corrupt officials. Also, I have previously filed complaints with your office after being given Reference #MV300500398 and PS300506647 by the USDOJ, however to date March 9, 2017 no one has contacted me and the crimes against me by these officials has escalated.

Sincerely,

Connie Marshall
