220 West Main Street, Suite 1400 /Louisville, KY 40202

Re: Connie Marshall

I am sending this Demand Letter regarding the following Violations By Louisville Gas & Electric:

- 1) Federal Communication Violations
- 2) Federal Trade Commission Violations
- 3) Defamation Libel/Defamation Slander
- 4) Criminal Acts inclusive of your employees David Milay/Security & Tim Melton/Manager fabricating/forging & sending a Death Threat to himself in which he signed my name
- 5) Conspiracy Against Rights, Pain & Suffering, Mental Anguish, Malice,
- 6) Arson, Assaults, Damage of Property leading to fire, death & an FCC Complaint being filed proving your company was responsible for illegally installing 5G to my home which caused the fire and death.
- 7) On more than one occasion your company representatives have come to my home without ID and installed various unknown devices causing frequencies in my home and damage to my property.
- 8) Terrorization/Harassment/Assaults and Illegally daily intercepting electronics in my home with devices that were illegally attached to my home.

I am attaching (*Exhibit A*) Death Threat Tim Melton sent to himself (*Exhibit B*) Letter to the Fire Chief with attached picture of burned Kitchen Floor, (*Exhibit C*) my toy Poodle Murdered by the frequencies & (*Exhibit D*), and my list of Damages totaling \$6,028,714.00. I am requesting that you respond to my letter regarding settlement of this claim within 30 days or I will proceed with legal action. Conversations with the aforementioned and other Evidence proving the above also exist. There is also an FCC complaint I filed in which your company stated Verizon installed the 5G & a response from Verizon to the FCC complaint in which it was stated by Verizon your company was solely responsible for illegally installing the 5G to my home. Thank you in advance for your attention to this matter.

Sincerely,

Connie Marshall
