Dear Mayor Greenberg,

I previously mailed a Certified Letter – Tracking #9589071052701866292933 - to you on **May 29, 2024** requesting to meet with you. I also completed the form on your website requesting to meet with you and sent an email. I am attaching the letter and attachments that I previously mailed to you.

After contacting you office numerous times and contacting my Metro Council Representative several times, I finally received a call back from your office on Wednesday, August 21, 2024. The person that contacted me was Pat Miller. Ms. Miller stated to me that David James, Deputy Mayor stated that he has spoken with me or met with me. I told her I have not spoken with David James and she went on to say there is a large folder regarding David James meeting with me. For the record, "I **HAVE NEVER SPOKEN WITH DAVID JAMES**", therefore someone has lied.

I am requesting that you review the complaint that I previously sent to you on May 29, 2024, which is attached to this cover letter and I am again requesting to meet with you.

Sincerely,

Connie Marshall

Complaint Regarding:
Civil Rights Violations by Louisville Metro Police and Conspiracy Involving Louisville Metro Police and Louisville Gas and Electric Company.

****

2 White men with LG&E lied on me a Black woman to try to incarcerate & it failed LMPD refuse to allow me to file a complaint against them.

About me as these Criminals have tried to Defame my Character:
I am a Christian, Homeowner, Taxpayer, and I work in Property Management. I do not have and have NEVER had any Mental Illness.

Tim Melton/Manager and David Millay/Security for Louisville Gas & Electric (LG&E) whom I have never met tried to frame me, have me placed in a Mental Institution and Jail and the attempt was thwarted. They tried this when I caught them in corruption and threatened to tell their Corporate Office. Approximately 3 days after I told Tim Melton I was going to report him he mysteriously received an email threatening to kill him with my name as the sender. **Note this email is very similar to the 30 (thirty) Hate/Sexual Degradation/Death Threat emails sent to me by the Louisville Metro Police** which you will find on my website justiceforallcitizens.com on the page titled, "Hate/Sexual Degradation/Death Threats.

Jeremy Livers (Corrupt Detective for Louisville Metro Police) whom I have never met, filed an MIW (Mental Inquest Warrant) against me regarding the email Tim Melton received. ***Note: I have never had any type of Mental Illness, however they were going to set me up.*** When this plan was thwarted, as I called downtown and was told not to worry about it, I tried to file a complaint against Tim Melton and David Millay for filing a false report and was Not Allowed by the police to file against Tim Melton and David Millay. I also tried to file a complaint against Jeremy Livers with the Professional Standards Dept for complaints against police and nothing was done about my complaint.

In that the USDOJ has been investigating the Louisville Metro Police and they are under watch by the USDOJ I am again trying to file my complaints against Tim Melton and David Millay. On March 14, 2024, I sent a Notarized & Certified Letter to Chief Villaroel expressing that I wanted to file my complaint against Tim Melton & David Millay. Also on April 8, 2024, I saw Chief

Email: conniecmarshall@gmail.com

Villaroel at the USDOJ (United States Dept. of Justice) meeting, and she stated she had my packet.

On, April 13, 2024 I called 911 and (502) 574-7111 (Option 5 - Louisville Metro Police) at **11:43 am** and at **8:34 pm** I was still being denied the right to file against these two men that Fabricated and Forged a document that could have sent me to a Mental Institution and/or Jail for something they - Tim Melton & David Millay – created and sent to Tim Melton.

I called 911 & (502) 574-7111 on April 13, 2024 at **11:43 am** and spoke with Officer Foust (Badge 5272) and he gave me a CAD (Computer Activated Dispatch) number (Number 240118550). He stated that in that I sent a packet to Chief Villaroel and briefly spoke with her at the USDOJ meeting she would get back with me. I told him she had not, and I wanted to file a complaint that would get me a Report number against Tim Melton and David Millay. Officer Foust stated he would have a Sargeant get back with me. I did not receive a call from a Sergeant or anyone therefore, I called back at **2:00 pm, 5:26 pm, 6:43 pm** and **7:47 pm** and again at approximately **8:34 pm** and a Sargeant did not contact me.

I called back on **Sunday April 14, Monday April 15, Tuesday April 16** and **Wednesday April 17** and I still did not receive a call from a Sargeant or been allowed to file my Complaint against Tim Melton and David Millay, ***two white men that filed a false report against me a - black woman*** - and then had a police officer come to my home to try to arrest me for something that they fabricated/forged. ***Note: This is exactly what happened to black people in the slave days.***

On April 18, 2024 a Report was taken, however when I tried to order the report **there was No Report,** only a report number with no report of anything that I reported to the police and no mention of any evidence given to the police officer the report number is 24-240125609 taken on April 18, 2024, however again there is **NO REPORT**, just a report number.

I am attaching a copy of the letter sent to Chief Villaroel, and the attachments that were with the letter, which include a copy of the email Death Threat Tim Melton sent to himself, a copy of the MIW filed by Detective Jeremy Livers and I have also attached the mail receipt proving that the Chief received my package.

Again, the Email Tim Melton sent to himself is very similar to the thirty (30) Hate/Sexual Degradation/Death Threat emails that the Louisville Metro Police sent to me. You will find those on my website justiceforallcitizens.com on the page titled, "Hate Mail". Please know

March 14, 2024

Jacqueline Gwinn-Villaroel, Chief of Police
2911 Taylor Blvd, Louisville, KY40208

Dear Chief Gwinn-Villaroel:

In 2016 I was denied the right to file a criminal complaint against persons working in Management and Security for Louisville Gas & Electric. These people filed a false report regarding an email in which they participated in creating. As a result, Jeremy Livers, Detective with Louisville Metro Police (whom I have never met), filed an MIW (Mental Inquest Warrant) against me and a black police officer was sent to my home while approx. four white police officers stood on the corner (I have camera footage). Thankfully, this attempt to falsely arrest me was thwarted and it did not happen. ***Note: I don't have any mental issues and have never had any mental issues, however if they had succeeded, I would be in a mental institution for 60 days and/or in jail.***

I am writing to you because it has now come out through the USDOJ (United States Department of Justice) that people (particularly minorities) were being discriminated against by the Louisville Metro Police. My argument is if the email (that Tim Melton sent to himself after I told him I was going to report him to his Corporate Office) was important enough for Jeremy Livers (Detective for LMPD) to file an MIW and send a police officer to my home – however the attempt to set me up was thwarted. It should be just as important that I be allowed to file a Criminal Complaint against Tim Melton (Manager at LG&E) & David Millay (Security at LG&E) for making a false report.

Therefore, I wish to file a Criminal Complaint against the following:

Tim Melton, Manager, Louisville Gas & Electric, 820 West Broadway, Louisville, KY 40202
David Millay, Security, Louisville Gas & Electric, 820 West Broadway, Louisville, KY 40202

I am also enclosing the following evidence:

1) **Exhibit A** - Fabricated/Forged Email in my name that Tim Melton sent to himself with the help of David Millay and the Louisville Metro Police who have sent thirty (30) similar emails to me which you will find on my website justiceforallcitizens.com on the page entitled, "Hate Mail and Death Threats."
2) **Exhibit B** (5 pages) – MIW falsely taken out on me by Jeremy Livers, Detective for LMPD

Mr. Melton,

This Email is to put you on notice that I am done playing your games. I do have a gun in my possession and as an American I have the right to defend myself against your attacks and those by the LMPD. I know "and have proof" that you are working with the LMPD to terrorize and attack me. You are "aiding and abetting" the police in targeting me.

This is a matter of life or death for me. I provided you evidence of me being electrocuted, being zapped as if I was in an ELECTRIC CHAIR in my own living room and being knocked out as electrical arcs fly around the room, snap, pop, and zap me as smoke fills the room as I spasm as if having a grand mal seizure due to the electrical attacks and assaults.

IF YOU DO NOT CEASE AND DESIST, I WILL KILL YOU AND ANYONE ELSE THAT IS ATTACKING ME / ASSAULTING ME. This is "self defense" and is not an act of aggression because of the indisputable proof I have of the attacks. I will find you and kill you and then we'll see whether these attacks continue against me. I AM COMPLETELY WITHIN MY RIGHTS TO DO THIS.

I am done being your "guinea pig." Let's see how you like being attacked when there's a bullet in your head.

THIS IS YOUR FINAL WARNING. GOVERN YOURSELF ACCORDINGLY.

May God Give you EXACTLY what you deserve.

Sincerely,

Connie Marshall
